Congratulations: You made the Inc. 500|5000 List

Dear Jerry L. Mills,

Congratulations: your company, B2B CFO, has made the 2010 Inc. 5000 list of the fastest-growing, private companies in America.

This achievement puts you in rarefied company, especially if you consider that over 27 million businesses are registered in the USA. The elite group you've now joined has, over the years, included companies such as Microsoft, Timberland, Visa, Intuit, Jamba Juice, Oracle, and Zappos.com.

In fact, many of today's most successful U.S. companies received their first national recognition when they appeared on the **Inc.** list.

I look forward to congratulating you in person in Washington, D.C.

Sincerely,
